Dear Catherine,

BROADCASTING BILL: ADVERTISING IN RELATION TO INDUSTRIAL DISPUTES

The Lord President has seen the exchange of letters between the Home Secretary and the Secretary of State for Employment. He has commented that while he agrees that the balance of argument lies with the Home Secretary's position he has some sympathy with the concern expressed by the Employment Secretary. He considers, therefore, that very great care indeed will need to be taken in considering the implications and fine detail of the legislation.

I am copying this letter to the private secretaries to members of MISC 128 and to Trevor Woolley.

Yours ever

S D CATLING
