

PRIME MINISTER

MEETING ON EMU: 25 OCTOBER

You may have had a chance on one of your 'plane journeys to have another look at the Chancellor's draft paper he would like to submit for the next meeting of the Eco-Fin Council. We will retrieve your marked up copies from the trip papers and put them in the folder before tomorrow's meeting.

free.

I am quite happy
with the paper - so long as
we stick to the standard
conditions for LRM

Patrick Nisford has also written
a similar memorandum (Andrew has
my copy)
