1. (U) Galtieri will take the oath of office on December 22 in the chambers of the Congress building. According to the press, Admiral Anaya will bestow the presidential sash. It is not clear as yet if the diplomatic corps is to be on hand.

CHRON

2. (C) I believe a message to Galtieri from our President on the occasion would be appropriate. Such a message could wish Galtieri well in the important tasks ahead and express confidence in the future of the relations between our countries. Any implication of congratulations should, of course, be avoided in view of the circumstances.
