

MR PYM'S STATEMENT OUTSIDE 10 DOWNING STREET: 11.30am 12 MAY 1982

I'd like to say to you this morning that we are continuing to work with all intensity at the United Nations. There were some developments overnight which hold out some promise of progress and that is a good thing, but I must tell you that many difficult problems still remain. We have had our hopes raised several times before only to be dashed and we must remember that, but we are doing everything we can to pursue our efforts and we must hope that we can make further progress.

That is all I have to say for the moment.

I will do my best to make the best progress that we can bearing in mind the problems that still remain.
