

REQUEST RECEIVED FROM PETRO DATA AGENCY REGARDING
TAKING UP FROM TRADE OF STENA INSPECTOR AT PRESENT
BELIEVED TO BE IN GULF OF MEXICO

PR GUIDANCE:

"The SS Stena Inspector, sister ship of the Stena Seaspread, will be used as a repair and maintenance ship for the task force. She has been requisitioned from Stena UK". GRT. 5,840.

IF PRESSED:

"It is planned that the Stena Inspector will undergo minor outfitting in Charlston, USA, and it should be noted that US shipyards repair UK ships as a matter of routine".
