

FALKLAND ISLANDS - Fl Lt Glover RAF

PR Line:-

"We have been informed that Fl Lt Jeffrey William Glover RAF (28), a Harrier pilot shot down over the Falklands, has been captured. He is known to be in the Aeronautical Hospital, Comodoro Rivadavia.

His next of kin have been informed."

Background

The Argentines have published statements alleged to have been made by Fl Lt Glover which are somewhat untypical of an RAF Officer.

We can make no comment on these whatsoever.
