Frank Cooper

Further to my letter of 19 May 1982, I am writing again on behalf of the Secretary of State for Defence to inform you that following the surrender of the Argentine forces on the Falkland Islands, Her Majesty's Government will no longer require the use of Transmitter Number 302 at the BBC Atlantic Relay Station from 1800 GMT on 16 June 1982.

2. I should like to take this opportunity to express my thanks for the BBC's prompt action in making the transmitter available in the exceptional circumstances of the Falkland Islands operation.

Yours sincerely
Frank Cooper

FRANK COOPER
