Dear Tim,

Antarctic Resources Policy Conference

John Coles wrote to Francis Richards on 19 July, forwarding a copy of the Prime Minister's letter of that date to Sir Vivian Fuchs. He mentioned that the Prime Minister had enquired whether we could assist Sir Vivian with transport to the above Conference.

The Prime Minister may wish to know that the British Council have been able to finance Sir Vivian's return air fare to Santiago, and the Chileans have arranged transport to and from Antarctica from Santiago. Sir Vivian will travel with the party of other British representatives.

Yours ever

John Holmes
