Re Governor

ON 2/2/71

JOK planned at 4.30  
at any request changed to 12.00 at HMT  
Does not know who will be there, but probably not Bruce Gardner  
John Ken rang at 11.30. Re

Charceller, he said, agreed that the small meeting proposed in your letter of yesterday was right. Turning to times, he said that tomorrow (Thursday) was quite impossible & that the choice was between Friday & next Tuesday (which I ruled out of Barle & speech, & he quite understood).

He suggested 3.30 on Friday (the morning being difficult/impossible) for one hour.  
May I confirm this please?

I asked him whom he thought of fielding - he said probably: Charceller, Bruce Gardner, Wars Middleton & Little.

Would you wish to take over the SOC? I believe that the Deputy has the at Ditchley by 4 pm.
