MEETING WITH THE CHANCELLOR: HMT ~~3.30~~ WEDNESDAY 15 JUNE

It has been agreed that the recipients of this note will attend a meeting with the Chancellor tomorrow afternoon. John Kerr said that it should not be regarded as an operational meeting; more a meeting to consider the present position and to begin to consider future strategy - "plan the way ahead." It is unlikely that the Chancellor will have fully ^{absorbed} the Deputy Governor's letter to him of 13 June. The Chancellor will field John Moore, Middleton, Burns, Littler and Cassell.
