PRIME MINISTER'S

PERSONAL MESSAGE

SERIAL No. T123A184

My dear Prime Minister,

I very much appreciated your having interrupted your weekend on such short notice and having received Geills and me and our officials.

All of us will remember our visit to Chequers with a good deal of pleasure. Your personal tour was a unique opportunity for an intimate glimpse of British history.

I was encouraged by your directness and frankness. I know that this is the way we will continue to deal with each other. I know that together we shall revitalize the already good relations between our countries.

I was glad that you invited Lord and Lady Carrington and Sir Derek and Lady Day to join us. Lord Carrington is very much respected in Canada. We look forward to seeing the Days in Ottawa.

Thank you once again for your courtesy and relaxed hospitality.

With warmest personal regards,

Yours sincerely,

The Right Honourable Margaret Thatcher
Prime Minister of the United Kingdom
10 Downing Street
