Chequers Meetings on Employment Strategy

The Prime Minister has asked that the Chancellor of the Duchy's minute of 11 July, proposing a scheme to help those starting up as self employed, should be added to the agenda for the Chequers meetings.

BC | I would be grateful, therefore, if you would ensure that the papers you are preparing for the meeting include an assessment of this proposal.

I am sending a copy of this letter, on a strictly personal basis, to Alex Galloway (Chancellor of the Duchy of Lancaster's Office).
