THE PRIME MINISTER

6 June, 1984

*Dear Pierre,*

I hope you will enjoy the enclosed print by David Gentleman of St. Giles in the Field.

You may know that David Gentleman, who was born in 1930, is one of our foremost artists and illustrators. He is especially well known for his architectural drawings and I think this is a particularly striking example. My best wishes for a very happy visit to London.

*Yours ever*

*Raymond*
