I thought you would like to know that the woodcut prints from the Quebec Pavilion have arrived safely at No. 10 - as you say, a little late! But more importantly, could you very kindly pass on the Prime Minister's grateful thanks to Ted Allan.

With best wishes,

Caroline Ryder (Mrs)

Dear Sheila,

The enclosed woodcut prints, a gift to the Prime Minister from the Quebec Pavilion at Expo 86, have just been passed on to us by Ted Allan. Where they have been since 9 July I know not!

Perhaps you would be kind enough to pass them on to No 10.

Dear Mr. Stephenson,

I have just returned from a lengthy trip to California which followed the visit of the Prime Minister to Vancouver. As a result, this is my first opportunity to express the gratitude of Peter Cooper, our Area Manager in B.C., and myself for the splendid arrangements you were able to make for the visit of Mrs. Thatcher to our store.

It goes without saying that we were highly flattered that she would pay us this compliment and personally, I thoroughly enjoyed meeting this remarkable lady. Both Peter Cooper and I have been the recipients of autographed photographs of the Prime Minister and again, we are deeply appreciative of these gifts. If you feel it is possible to convey our appreciation to the Prime Minister, we would be most grateful.

Sincerely,

G. Drummond Birks

Dear Brian

I am most grateful to you and your wife for the very fine, decorative teapot. It was a kind and generous thought, which I appreciate very much.

I look forward to seeing you in early August.

Dear Prime Minister ⁴

What a joy it was to receive your letter of 15th July and to know that you had such an exciting and worthwhile trip in the Concorde. For our part the Captain, the crew and all concerned were privileged and honoured to have had the opportunity to fly you to Vancouver. From what I have heard, the Concorde fly-past at the opening ceremony was quite an emotive experience and I am glad that Captain Walpole decided not to roll the aircraft!

I know you want to get us away into the private sector in January and I pray that it happens! What I thought would take two or three years looks like taking six - this is no great recommendation for me, albeit the many obstacles were unforeseen when we set out.

I am concerned that we should get out in to the free world and continue to build the Airline into a proud, powerful and profitable revenue earner for Great Britain. I am concerned too, that I must keep the team I have together, since each and every one of the leaders are dedicated to the private sector.

Please give my best wishes to Denis.

My Dear Prime Minister:

I did very much wish to write to you to reiterate our most grateful appreciation for your attendance to celebrate British Day at Expo '86.

It goes without saying that you were more than exceptionally well received in British Columbia. General sentiment is that you and Mr. Thatcher must return again!

Everything went smoothly on July 12, and at this point I would certainly say that it was the highlight event.

On behalf of Mrs. Gardom and myself I do extend to you our very best wishes, with the hope that our paths may cross again, and in the not too distant future.

Yours sincerely,

Garde B. Gardom, Q.C.,

Dear Prime Minister and Mr. Denis Thatcher,

On behalf of the Royal Ballet I would like to say how thrilled we were that you were able to attend our performance during your hectic visit to Vancouver, and that you were able to see the World premiere of a new ballet by David Bintley.

It was very kind of you to invite so many of the Company to your splendid Reception after the performance and we were all delighted to be able to meet you.

It was an honour for us to represent Great Britain during Expo 1986 and to take part in The British Day.

With our best wishes to you both.

Yours sincerely,

Peter Brownlee,
General Manager,
The Royal Ballet.

My dear Prime Minister,

I fear that there was no suitable opportunity, before your departure from Mirabel, to say how deeply grateful I am to you for taking time to visit Vancouver for our National Day at Expo 86. I realize that we asked a great deal of you. I hope, however, that you felt that the welcome given to you at Expo, and in your travels around Vancouver, made the journey worthwhile.

RECORDED IN THE
OFFICE OF THE
SECRETARY OF STATE

Your visit will have
given a tremendous stimulus to
our efforts to 'sell' Britain in
Western Canada, and to our campaign
to increase, still further, our exports to
Canada as a whole. The reactions
that I have received to your meeting
with the businessmen have been extremely
positive: one of those present is, as
a result, seriously considering investment
in the U. K.

From all of us here, thank
you so much for coming.

Yours sincerely,
Derek Day.

Dear Prime Minister,

On behalf of my Wife, Vera, and myself I wish to thank you most sincerely for inviting us to your Reception at the Hotel Vancouver last night and to say how much we enjoyed meeting you and your Husband, Mr. Denis Thatcher.

We have been preparing for British Week for a long time and we were delighted that you could spare the time to fly over and make British Day the success that it most assuredly was.

Thank you for giving us a day we shall always remember.

Sincerely,

John H Craig
