Dear Secretary of State,

**DTI ENVIRONMENTAL PROGRAMME**

with PG?

Thank you for sending me a copy of your letter of 4 May to Nicholas Ridley about your plans to announce the DTI environmental programme.

I note that the cost of this initiative will be met from within your agreed provision. Our officials are discussing the cost of the various elements of your programme, in particular the support you intend to provide for collaborative R & D on pollution control technology and engineering. Subject to your announcement not prejudicing the outcome of those discussions, I am entirely content for you to proceed as proposed.

I am copying this letter to the Prime Minister, Cecil Parkinson, Nicholas Ridley, John MacGregor and to Sir Robin Butler.

Yours sincerely  
P. Waller

PP JOHN MAJOR
