Dear Dominic

Thank you for your letter of 9th May. I am naturally very pleased that the Prime Minister has agreed to take forward our brief discussion before lunch at the global warming seminar.

Looking at my schedule over the next two months, I find that I am out of town from 9th-14th June.* Obviously I have other appointments but I will, if necessary, reschedule these. I am happy to come to Downing Street any time of the day at the Prime Minister's convenience.

I am also wondering if it would help to focus the discussion if I were to send a short list of points for the Prime Minister's consideration beforehand.

I look forward to hearing from you.

Yours sincerely

David R Cope
Director
