My dear Prime Minister,

Prime Minister
H.A. Punt

I wish to express my sincere gratitude for the time you made available to see me in London during my recent visit there. The discussions we had can only further enhance the warm relations that our two countries mutually enjoy and have assisted me to appreciate the current situation in Britain and Europe.

Permit me, Prime Minister, convey on behalf of my delegation and my own behalf our thanks for your kind hospitality during our stay in London. The rest of my visit to other countries in Europe was equally successful.

With best personal wishes.

Yours sincerely

JULIUS CHAN,
Prime Minister.
