From the Private Secretary

19 October 1981

The Prime Minister has asked me to pass on to you her thanks for your kindness in sending her a copy of your memorandum concerning the present position at the Madrid CSCE Review Meeting. She naturally remembers with pleasure your brief meeting in Belgrade when you were leading the United States delegation to the Belgrade CSCE Review Meeting.

Your memorandum has already been forwarded to the Foreign and Commonwealth Office. Those responsible for advising on policy towards the CSCE will be studying your paper and your views will certainly be borne in mind as we prepare our positions for the forthcoming session of the Madrid Meeting.

Dear Willie,

Richds 15/10

Madrid CSCE Review Meeting

/ I enclose a letter to the Prime Minister and a memorandum from Arthur Goldberg, who as you know was the leader of the United States delegation at the Belgrade CSCE Review Meeting. His long and distinguished career included a spell as the United States Ambassador in the UN and as a Supreme Court Judge.

/ Mr Goldberg's present views on the proceedings in Madrid, however, carry little weight and we would not think it necessary for the Prime Minister herself to thank him for his letter. I attach a draft which you may wish to send on the Prime Minister's behalf. We would send the reply through our Embassy in Washington.

Yours ours,

(F N Richards)
