*Dear Andrew,*

SEMINAR ON SCIENCE TECHNOLOGY AND INDUSTRY: FOLLOW-UP

At paragraph 7(a) of the enclosure to Michael Scholar's letter of 3 October, the Treasury was asked to take follow-up action with DHSS on portable pensions. We are assuming that this will in fact be one of the key questions to be addressed by Mr Fowler's forthcoming inquiry into pension issues so unless we hear to the contrary from you or from Steve Godber, we shall not be initiating separate consideration of this issue here.

We are looking forward to receiving from Mr Fowler his proposals for the membership, terms of reference and timetable for the inquiry.

I am copying this letter to those who received yours.

*Yours sincerely,*

*Margaret O'Mara*
