10 DOWNING STREET

DB - she discussed  
this very briefly  
with MacGregor.  
PM would also glance  
at Keady's answer  
on Banks report

EUROPEAN ATLANTIC GROUP DINNER

I had a call this morning from Nick Edwards' office to say that they had heard on the grapevine that the Prime Minister was going to sit next to Lord Layton. If this is correct he will almost certainly bring up the question of Euro-bridge.

Apparently the Prime Minister knows all about this and does not require further briefing.

Correct?
