

PRIME MINISTER

1) The Chief Whip is now in a private room with a telephone if you would like to speak to him. Tristan Garel-Jones says he seems much better than he has been. The Chief Whip's children will be visiting him at 10 o'clock this morning and should have left by 12 o'clock if you would like to speak to him after Church?

2) Mrs. Maclean who is in hospital in Brighton was operated on at 6 pm yesterday and they have amputated her lower right leg. Her condition is poor but stable. She is still in intensive care and on a ventilator.

Dear Robin,

Please note.

FERS

VISITING MR AND MRS TEBBIT IN HOSPITAL

17.10.

A large number of colleagues of the Secretary of State have indicated that they would like to go to visit him and Mrs Tebbit at the hospital in Brighton. It would be extremely helpful if any who intend to visit could in fact let this office know when they would like to make a visit, so that we can ensure that there are no occasions on which too many attempt to see the Tebbits on the same day. It may also help those planning visits to know that the Secretary of State is under hospital orders to receive no visitors between 4.00 and 6.00pm each day.

2 I am copying this to the Private Secretaries of all Cabinet Ministers, and to Murdo MacLean at No 12.

Yours etc,  
Andrew Hawley
