Dear Charles,

PRIME MINISTER'S VISIT TO SRI LANKA

Thank you for sending me a copy of your letter of 22 March to Chris Benjamin at the DTI.

As you know, Ministers have been unable to agree a line on the Samanala Wewa project and it is now to be discussed in EX on 3 April. The other two proposals that you mention are no concern of the ODA.

I am copying this letter to Chris Benjamin (DTI) and Peter Ricketts (FCO).

*Sincerely,
Michael*
