PRIME MINISTER

MEETING WITH SIR ROBERT ARMSTRONG: 0930 HOURS, 17 MAY

Three items for the agenda.

1. Business - see note below. No obvious problems, except that the Secretary of State for Social Services is going to minute you before the weekend on whether he wants to go ahead with the Top Salaries Review Body reports for Cabinet next Thursday and announcement before the Whitsun recess.

*Paragraph 2 deleted and temporarily
retained.*

12 June 2014

(Wayland)

3. Projects for the millenium. Sir Robert Armstrong is thinking about people and terms of reference for a small group to recommend projects for the millenium; and it would be helpful to him if you had a word with him about it.
