CF - for you

10 DOWNING STREET

THE PRIME MINISTER

9 April 1986

Dear Francis

Thank you very much for your letter of 30 March which reached me only on 8 April.

I saw President Kyprianou on 7 April and urged him strongly to accept the United Nations Secretary-General's revised documentation on Cyprus even if parts of it were unpalatable to his government. This would enable negotiations to move ahead on other issues of importance to the Greek Cypriots. I think that this has to be the way forward and that we must rely upon the Secretary-General's efforts, though I shall certainly bear your kind offer of help in mind.

I was interested to hear of your activities with the European Council for Villages and Small Towns, and am sure that Kenneth Baker or William Waldegrave would be ready to talk to you.

With best wishes,

Yours sincerely
Francis Noel-Baker
