10 DOWNING STREET
LONDON SW1A 2AA

THE PRIME MINISTER

30 October 1986

Jean Tulhan

Thank you for your letter and the notes about your meeting with Denktash. I was interested to read his views on the possible options for Cyprus, although they do not make the problem any less intractable. I shall leave it to Geoffrey to deal with the detailed points about Denktash's visit.

Yours ever

Margaret

The Rt. Hon. Julian Amery, M.P.

JA
