10 DOWNING STREET

*From the Private Secretary*

3 April 1987

I am writing to say how grateful the Prime Minister and her party were to you and all the members of your crew for taking us safely to the Soviet Union - and bringing us back! I hope you found it as interesting as we did and were able to see something of the country. As always, the flight was as comfortable, and we were as well looked after, as anyone could possibly expect. Thank you all very much.
