Dear Charles,

Prime Minister's Visit to Turkey: Wreath-Laying Ceremony

Our Embassy in Ankara have confirmed that the Prime Minister will need to lay a wreath at the Ataturk Mausoleum.

The Embassy will purchase a circular wreath locally and have asked us to provide a printed riband with the wording, in gold, "The Prime Minister of the United Kingdom of Great Britain and Northern Ireland".

I should be grateful to know if you agree with this proposal.

Yours ever,

(L Parker)
