*From the Private Secretary*

31 March 1988

Thank you for your letter of 25 March to the Prime Minister.

Water and effluent treatment projects are referred to in speeches the Prime Minister will make during her visit to Turkey. If the occasion arises she will certainly take the opportunity to draw attention to the experience and expertise the United Kingdom has in such projects and the fact that we are interested in numerous current Turkish projects.

(C.D. POWELL)
