10 DOWNING STREET

THE PRIME MINISTER

10 April 1988

Dear General Güres

I was very pleased to have the opportunity to meet you during my brief visit to Istanbul and found our discussion very interesting. I shall reflect on the problems which you face and how Turkey's allies can help further in meeting them. It was particularly kind of you to arrange for me to visit the Florence Nightingale Exhibition. It is beautifully kept and serves as a heartening reminder of the long association between Britain and Turkey.

My husband joins me in sending you our warm good wishes.

Yours sincerely

Margaret Thatcher

General Güres
