10 DOWNING STREET

THE PRIME MINISTER

10 April 1988

Dear Mr. Kamoy,

Thank you very much for showing me round the Aselsan factory during my visit to Turkey. It is a most impressive undertaking and an example of how competitive Turkey has become in the field of high technology. I wish you and all the employees of the firm every success in the future.

With best wishes,

Yours sincerely

Margaret Thatcher

Mr. Hacim Kamoy
