

10 DOWNING STREET

THE PRIME MINISTER

10 April 1988

*Dear Mr. Yücel,*

I am very grateful to you for showing me round Haghia Sofia. It was a most memorable experience and one of the greatest monuments that history has left us. I wish you well in the continuing task of restoration.

My husband joins me in sending you our best wishes.

*Yours sincerely*

*Raymond Deakin*

Mr. Erdem Yücel
