

PRIME MINISTER

MRS SOSNA

You will remember that you raised the case of Mrs Sosna with the Soviet Ambassador earlier this week. His office telephoned this evening to say that the Ambassador had been in touch with Moscow and could now assure you that all final details had been settled and Mrs Sosna was free to leave the Soviet Union at her convenience. I will do you a letter of thanks to the Ambassador.

There is no progress to report, however, on the case of Mr Tufeld, who has no connection with this country.
