Dear Charles -

I should be most grateful if you would kindly pass the enclosed letter to the Prime Minister at your earliest convenience - in reply to her letter to me earlier this week. Very many thanks.

I very much enjoyed the contexts I was privileged to share in, and much appreciated the invitation to participate. Thank you, as ever, for your support and guidance. I hope things went satisfactorily from your point of view during the visit - and that the PM takes a positive view of the insights accruing from it. I hope too she was unaffected by the amount of walking entailed.

I hope it will not inconvenience you if I send my personal observations, etc, on the visit separately. We are in the middle of Finals marking at present, but I shall post some notes to you as soon as possible.

With regards as ever,
Yours ever - Richard.

Richard Pollock
