FALKLAND ISLANDS DEBATE
ON WEDNESDAY, 7TH APRIL 1982

Message from Mr Boscawen following a meeting with MOD on Tuesday 6th April am

1. Tues. 6th

At 3.30 pm John Nott will meet the Officers of the Foreign Affairs Committee, the 1922 Committee and the Defence Committee in the House (probably the Large Ministerial Conf. Room) (John Wilkinson will arrange this)

2. At 5.15 pm in Room 10 John Nott will attend a meeting of the Foreign Affairs and Defence Committees for the Back Benchers.

3. As the above meetings will not cover Junior Ministers, ie Whips etc. in order not to involve John Nott too heavily, the Defence Expert Team from MOD will arrange a meeting on Wednesday. John Nott will try to look in if possible. A "secure" room will have to be found although the information will not be secret.

4. MOD are being asked to prepare a 2-sided brief which can be given to Members in time for the week-end. (Distribution to be arranged - ? Whips Office)
