THE PRIME MINISTER

3 January 1984

PRIME MINISTER'S  
PERSONAL MESSAGE  
SERIAL No. T1/84.

Dear Prime Minister,

As promised in my letter of 23 December, I am now able to let you have my third nomination for the Conference on Life Sciences and Mankind. He is Sir Stuart Hampshire, who is the Warden of Wadham College, Oxford and a former Professor of Philosophy at Princetown University. He would bring to the Conference his special interest in philosophy and the life sciences, and would I am sure make a most valuable contribution.

Yours sincerely  
Raymond Kaltefleiter

His Excellency Mr. Yasuhiro Nakasone.
