OPERATION CORPORATE - OPERATIONS AND SUPPORT PLANNING ASSUMPTIONS

Reference:

A. COS(Misc) 110/742/1 dated 12 Apr 82 *EM*

1. CNS agrees the assumptions at paragraph 21 of the Reference subject to the following amendments:-

Para 21b Delete and substitute,

"Although not expected, it is possible that the land battle will exhaust the WMR ammunition (30 days at Limited War Rates) in which case it will be necessary to reprovise the Landing Force with ammunition at D+20."

Para 21c Insert new sub para 21c,

"Logistic support will be required for a garrison force for up to six months".

Renumber existing sub para 21c to read 21d.

2. CNS also notes the Conclusion in paragraph 23 that the broad implications of a longer duration of operations should be stated.
