US NAVAL MOVEMENTS

1. Thank you for your note MO 5/21 of 19 April 1982. Informal enquiries have been made today with our USN contacts and we are assured that there are no US SSNs in the South Atlantic now and no current prospect of US Naval Forces, either surface or sub surface, being moved into the South Atlantic.

2. I will of course inform you as soon as we hear of any change to this situation.
