FOREIGN OFFICE SENSITIVITIES

FC321A
FC345

1. You will need to see Frags S, R and T. — FC344
2. D Onard drafted FRAG U with MA, who learned from the NO that:
 - a. The next course schedules with the SSN would be at 1600, 1900 and 2400 today. She would get one of them.
 - b. Once turned back, the SSN would take 40 hours to reach her former station South of Fi but only 20 to reach the Exclusion Zone.
3. I have included the earlier exchange of letters on LOE with the Feo at Frags X and Y. — FC312
4. The cooing of doves is getting louder!!
