8	TELEGRAM NUMBER <i>807 22/4</i>
9	Following personal for Private Secretary to Secretary
10	of State from Wright: PARAQUET.
11	1. Having heard from a senior officer at Northwood this
12	evening that Paraquet had run into trouble, I later asked the
13	Ministry of Defence for a report which I could send to the
14	Secretary of State. Mr Nott's Private Secretary tells me
15	that Number 10 have asked that no information should be
16	released at this stage, until more detailed reports are
17	received. David Omand was only prepared to tell me that
18	the preliminary stages were proceeding very slowly, and
19	that it would be a day or two before anything happened.
20	He was reluctant even to go this far, but I hope to be
21	able to send you something further tomorrow.
