

FRANCE: PM's visit

2

PRIME MINISTER

MEETING WITH PRESIDENT MITTERRAND

You will recall that you said you would be willing to slip over to Paris for half a day to continue your talk with President Mitterrand. I have had some further discussion of this with the French and the most likely date is Saturday 20 January, although the French will not be able to confirm this until a week or so from now.

I attach the relevant page from your January diary so that you can see how this would fit in with other commitments.
