

ALL MEMBERS OF OD SECRETARIAT

FOLIO
10m

You should see the attached letter from Sir Robert Armstrong to Sir Antony Acland and others.

I assume that no member of the OD Secretariat is having any dealings with any member of the media about the crisis, in any circumstances whatsoever, no matter how informally. Any attempt by any representative of the media to question any member of the section should be immediately referred to, and reported to, me. The only answer given should be "I cannot comment in any way".
