LATEST DIPLOMATIC PROPOSALS

1. CDS saw FLAGs A and B.
2. He will wish to scan FLAGs D and E, which were the basis for OD(SA)'s discussions last evening. FLAG C is earlier DS11's comments.
3. FLAGs F, G and I are the DIPTeLs from Washington which were discussed by OD(SA) and Cabinet this morning. FLAG J is PS/SofS' note and FLAG H is CINCFLEET's assessment that we will need more than 24 hours to get the SF patrols out.
4. Mandarins, with CNS and PUS attending, met at 1415 to consider the draft reply. We believe the Cabinet is minded to support the new proposals, subject to the time factor. CDS will no doubt wish to have a debrief from PUS/CNS.
