MOVE OF ADDITIONAL ELEMENTS OF 5 INFANTRY BRIGADE

The Secretary of State has seen CDS's minute of 10th May concerning additional combat and logistic support for 5 Brigade. S of S has confirmed that he is content that these additional troops, freight and vehicles should be deployed.

2. S of S suggests that the public presentation of this further deployment should be in a low key, with the emphasis being that these additional elements are an integral part of 5 Brigade, and are not "additional" reinforcements.
