

OP C/ARMY OPS/106

DPS(C)

MILITARY OPTIONS - OPERATION CORPORATE

## Reference:

- A. COS(Misc)244/742/1 dated 26 May 1982.
- B. DPS(C)/54/8 dated 1 June 1982.

1. As requested amendments to Reference A are forwarded. It would appear that Reference A has almost ceased to be of value. We therefore propose that this should be the last update. Should there be a requirement subsequently to examine an option then this could be updated as necessary.

2. Our proposed amendments are:

a. Option 6

(1) Pros - Political. Delete 'mutual' in second pro to reflect Government policy.

(2) Pros - Military. In first pro delete 'could be', and delete second pro in entirety.

(3) Feasibility. Delete (2) in entirety.

b. Option 7

(1) Para 2. Delete 'from 31 May/1 June'.

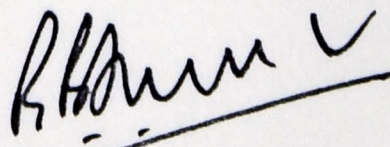

(2) Con - Military. After 'confrontation' insert 'with main enemy force'.

(3) Feasibility. Delete (3) in entirety.

c. Option 10

(1) Pros - Military. Delete 'with minimum risk to our forces' and insert 'with less risk to our forces'.

(2) Con - Military. Delete 'major troopship'.
