Prime Minister
Agree x | if Michael
can manage it?

24.1.

I took a call this morning from a Colonel Francis,
Colonel-in-Chief of The Queen's Regiment.

The Thanksgiving Service for General Sir Brian Horrocks
is being held at Westminster Abbey on Tuesday 26 February
and he wondered whether the Prime Minister would like to
be represented.

X | As Sir Brian had connections with Parliament (he was
Black Rod) perhaps we should ^{or could} ask Michael Alison to do this?

Is SNS for future
going?
