

10 DOWNING STREET

*From the Private Secretary*

4 April 1985

You may remember that, at the meeting with the National Pensioners Convention on 7 March, the Prime Minister promised to follow up the request from Mr. Massey about the Hereford experiment on bus de-regulation.

I attach a copy of the report on the experiment which the Prime Minister hopes is the document which Mr. Massey wished to see.

Mark Addison

Norman Willis Esq.
