MR THATCHER

The Prime Minister is touring a number of plants involved in the nuclear fuel cycle on 1 November. The rough programme is as follows:-

0845 Depart Northolt  
0945 Visit Capenhurst Works  
1130 Visit Springfields Works  
1315 Visit Heysham Nuclear Power Station  
Lunch  
1515 Visit Sellafield  
1850 Arrive Northolt

Travel is to be by helicopter between sites. Mr Allday, Chairman of BNFL, will be accompanying the Prime Minister throughout.

Would you like to take part in this tour?
