London SW1

Dear Ms Jelley

VISIT TO BNFL ESTABLISHMENTS ON 1 NOVEMBER 1985

I attach a copy of the revised programme for the above visit and a list of invitees to the opening ceremony at Sellafield. This guest list may change slightly and I will forward the final list as soon as it is established.

Inspector Strevens has also asked for floor plans of some of the buildings en route and lists of staff involved in the visit. I will send this information to him as soon as possible.

We have arranged offices for you at each of our sites and I will let you have details of these telephone numbers.

You will be escorted from the helipads to your office where you will be kept in permanent touch with the main party, either by two-way radio or via runners. You will then be collected and escorted back to the helipad to rejoin the main party for departure.

Yours sincerely

J M JOHNSTONE (MRS)
