

MR. POWELL

I had a meeting with Mr. Thatcher this morning and we agreed the following:

1. He will come to Israel.
2. He will come to Vancouver.
3. He would like to come to Norway, but he has a Board meeting on Wednesday 10 September and therefore can only manage 11 or 12 September. I have told the Foreign Office but would it be wise to write? The Prime Minister is in fact not doing anything during the weekend of 13/14 September so it could overlap if desired. But please do not forget about Germany the following week.
4. Mr. Thatcher would like to do the Forces part of the Germany trip. I warned him he would probably have to fly down on a commercial flight to join the Prime Minister following her regular bilaterals.

PRIME MINISTER'S VISITS ABROAD

You may find it helpful to have a note of Mr. Thatcher's proposed participation in the Prime Minister's foreign visits this year.

Mr. Thatcher will accompany the Prime Minister to Israel, to Vancouver, to Norway (if 11/12 September), to British Forces Germany (but not the Anglo-German Summit). For the first three, Mr. Thatcher will want a separate programme.

Mr. Thatcher will not accompany the Prime Minister to the Anglo-Italian Summit, Korea, the Tokyo Economic Summit or the European Council in The Hague.
