The A.O. Flat is allocated
to yourself & Nigel -
we now learn that
you would have to
share a bathroom.

The alternative is
for one of you to
move to the Hotel

which would you
prefer?

Dear Charles,

Visit of the Prime Minister to Korea: 1-4 May

Further to your letter of 19 January, I confirm that an RAF VC10 has been booked for the Prime Minister's visit to Korea and her onward journey to Tokyo for the Economic Summit from 4-6 May.

As you have authorised, the VC10 will leave London airport (Southside) at 1800 hours on Thursday 1 May, arriving in Seoul during the evening of Friday 2 May.

You should know that the Foreign Secretary and the Chancellor and their parties will be travelling to Tokyo by commercial flights, but would like to return to the UK on the Prime Minister's aircraft direct from Tokyo at the end of the Summit.

The administrative arrangements for the Tokyo Summit will be dealt with separately. But I should now like to propose the following support staff to accompany the Prime Minister to Seoul and then to travel with the party to Tokyo:

Conference Officer (Miss P Noble)

3 Communications Officers (2 to operate equipment on VC10 and 1 particularly to help out in post)

3 Royal Military Police for the usual safehand and security duties.

So that we can arrange the necessary accommodation in Seoul, and also prepare a seating plan for the VC10, it would be helpful to know the names of the officials who will be in the Prime Minister's party.

Yours ever,
